

St. Francis Xavier Parish Scrip Gift Card Process

The Scrip program is back at St. Francis Xavier! Due to COVID-19, our Scrip process has gone through some changes. If you are interested in supporting our parish by buying Scrip gift cards, there are 3 ways you can purchase them.

#1: Physical Gift Cards—These gift cards can be ordered through a link on the parish website and picked up & paid for before our car park weekend Masses.

To purchase gift cards, complete the Scrip Gift Card Program order form on the parish website, sfxjoliet.org.

Orders received by noon on Friday prior to the upcoming weekend will be available for pick up near the parking attendant from 4:00-4:30pm before the Saturday 4:30pm Mass and from 8:00-8:30am before the Sunday 8:30am Mass. Please bring your cash or check payment with you. Checks can be made payable to “St. Francis Xavier Parish”.

PLEASE NOTE: ShopWithScrip now offers an option to purchase physical gift cards on their mobile app RaiseRight™ and have them shipped to your home for a small fee. Only orders placed on the RaiseRight™ app (and NOT through our parish website link) are eligible to be shipped to your home.
